

Psalm 13  
(How Long O Lord)

**B<sup>m</sup>**                      **B<sup>m</sup>/A**  
How long O Lord, will You forget me  
**E<sup>m7</sup>**                      **F<sup>#</sup>**  
How long O Lord, will You look the other way  
**B<sup>m</sup>**                      **B<sup>m</sup>/A**  
How long O Lord, must I wrestle with my thoughts  
**E<sup>m7</sup>**                      **F<sup>#</sup>**  
And everyday, have such sorrow in my heart

**G**                                      **B<sup>m</sup>**  
Look on me and answer, O God my Father  
**G**                      **D/F<sup>#</sup>**                      **E<sup>m</sup>**                                      **A<sup>sus</sup>**  
Bring light to my darkness, before they see me fall

**D**                      **A/C<sup>#</sup>**                                      **E<sup>m7</sup>**                      **D/F<sup>#</sup>**                      **G**                      **A**  
*But I trust, in Your unfailing love                      yes my heart will rejoice*  
**D**                      **A/C<sup>#</sup>**                                      **E<sup>m7</sup>**                      **D/F<sup>#</sup>**                      **G**                      **A**  
*Still I sing, of Your unfailing love                      You have been good*  
**G**                      **A<sup>sus</sup>**                                      **B<sup>m</sup>**  
*You will be good . . . to me*
