

YOU ARE MY HOME

F F/E D^m
I've looked for love in so many places
F C B^b
Trying to find out where I belong
F F/E D^m
Wandering through this barren land of longing
G^m C F F/E B^b
looking for the place called home, a place called home.

F F/E D^m
You said, 'Come to Me all you who are so weary
F C B^b
And you will find true rest for your souls'
F F/E D^m
Lord let these words of life speak into my heart
G^m C
Anywhere I am I can be home

C B^b
You are my home You're my true home
F/A B^b C
I am safe inside the shelter of Your love
C B^b
You are my home You're my true home
F/A B^b C
I am free to be a child once again

F F/E D^m
You are my one true destination
F C B^b
The place I eternally belong
F F/E D^m
You made me from the earth and then You breathed into me life
G^m C
redeemed me from my sin and brought me home

G^m F/A B^b C
My heart is restless till it rests in You (repeat)
F F/E B^b F F/E B^b F
Until I dwell in You
